

Homework 3

Notes you want the TAs to consider when grading.

Extra points

part 1

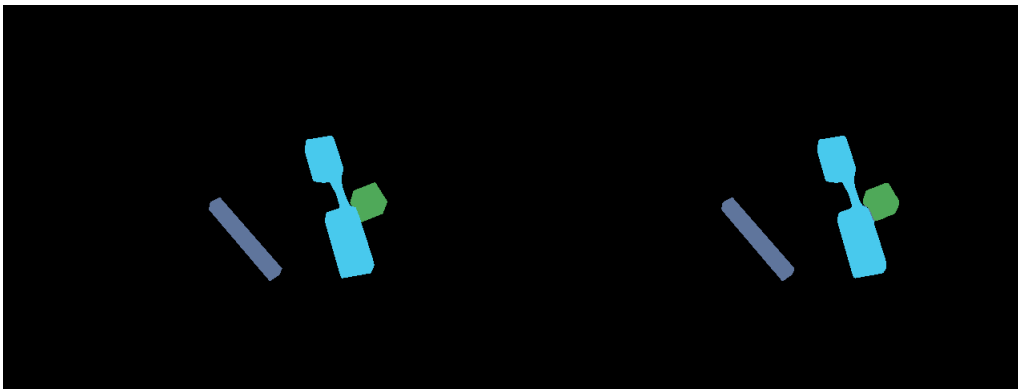

dataset size : 100

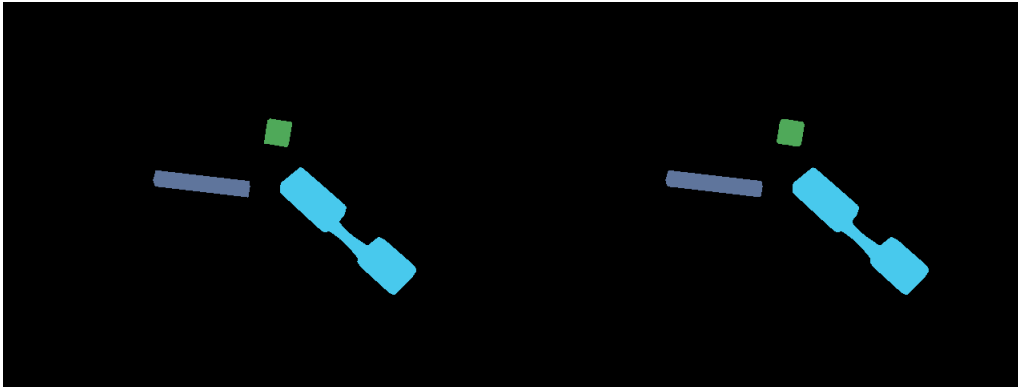

test loss : 0.00

mean IoU : 0.9880205646859277

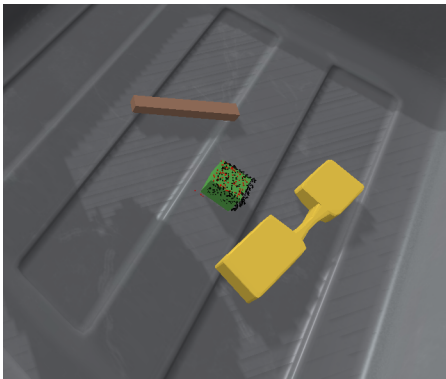

```
-----  
checkpoint saved at epoch 11  
Epoch ( 12 / 12 )  
Train loss & mIoU: 0.00 0.99  
Test loss & mIoU: 0.00 0.99  
-----  
checkpoint saved at epoch 12  
epoch, model_miou: 12 0.9880205646859277  
Saving predictions in directory ./dataset/test/
```

ground truth and predicted mask images on two test set images.

part 2

part 3
